

RAFFLE ITEM DONATION FORM
COLLEGE OF ENGINEERING
SCHOLARSHIP BENEFIT TOURNAMENT
October 20th, 2023

We are proud to announce the *Fifth Annual Scholarship Golf Tournament* hosted by the **TSPE - Panhandle Chapter, ASCE – High Plains Branch, and IEEE – Panhandle Section** in our continued partnership with the **West Texas A&M University (WTAMU) College of Engineering**.

The purpose of this tournament is to grow the **TSPE Panhandle Scholarship Endowment** at WTAMU to provide scholarships for engineering students. Supplementing the tournament is a raffle to support the scholarship endowment fund and the **TSPE Panhandle Chapter's MATHCOUNTS program**.

MATHCOUNTS provides engaging math programs to middle school students of all ability levels to build confidence and improve attitudes about math and problem solving. For more information visit their website at <https://www.mathcounts.org/>.

We hope you will consider donating a raffle prize for our participants! This is a great opportunity to get your company's name or products in front of over 100 local engineers, contractors, and suppliers!

Please visit the following link for additional tournament information:
