Alma Mater

(The audience is invited to participate.)

Over boundless reach of prairie,
 Over rolling plain,
 Over cliff and crag and canyon,
 Alma Mater reigns!
 To maroon and white our colors,
 We would faithful be—
 Hearts as bold as western breezes,
 Souls as pure and free.

Special Appreciation

Gratitude Is Extended to Our Musicians as well as
 Dr. Bob Hansen and Dr. Chris Meerdink for singing the
 National Anthem and the Alma Mater

Academic Regalia

The baccalaureate gown is black with pleated front panels. The master's gown is black with very long sleeves and includes a distinctive hood. The doctoral gown may vary in color and is distinguished by velvet panels around the neck and down the front of the gown. Three horizontal velvet bands in black or the color representing the appropriate degree mark the doctorate. In America, the doctoral hood is the most colorful feature of academic regalia. Master's degree candidates wear a black hood bordered with a band of velvet in the color representing the degree received, while the hood is lined with the colors of the granting institution. At West Texas A&M University, the lining is maroon and white.

Colors represent the degree earned:

| | |
|--|---------|
| Agriculture..... | maize |
| Arts..... | white |
| Business administration and professional accounting..... | tan |
| Education..... | blue |
| Fine arts..... | brown |
| Music..... | pink |
| Science..... | gold |
| Nursing..... | apricot |

For bachelor's degree candidates, the cap with colored tassel indicates the degree earned:

| B.B.A..... | drab |
| B.F.A..... | brown |
| B.G.S..... | blue |

Academic Mace

The mace is derived from a weapon used in medieval times. It was a heavy club with a spiked metal ball at the end used to smash an opponent's armor. It was often borne by a bodyguard to protect a king or person of high status in processions. Through the years, the mace has changed from a weapon into a purely ceremonial symbol of office. Maces are currently used in the U.S. House of Representatives and in many academic and ecclesiastical processions. The academic mace is carried by a senior member of the faculty.

Academic Banner

The banner was developed from a type of Roman cavalry flag, which was a rectangular piece of cloth attached to a crossbar fastened to the head of a spear. This type of standard was eventually adopted by the Roman emperors and held a large flag of silk embroidered in gold. The banner in medieval times was a heraldic flag that indicated the presence of a monarch, prominent person or commander. Throughout the years, it has been adapted to represent a variety of institutions and normally bears the symbol of the institution.
