Screenshot Tips

How to Choose a Database

Begin at the library home page http://www.wtamu.edu/library/ and click on Databases.

At the databases page http://www.wtamu.edu/library/indexes/ click on All By Subject

Databases: Online Articles/Citations

Off-campus login:
- Students use their Bluff Advisor username and password. Faculty/staff use their network username and password.
- If you have problems see our FAQ or call the Reference Desk at 806-651-2215.
Select a subject area such as *Communication Disorders*

Each subject list will recommend some of the best databases for that discipline.
